

SDI-IPC Series

Revolutionizing 3G-SDI through IP Control

Immerse yourself in the realm of IP control with our groundbreaking camera series - introducing the SDI IPC Series. Combining our signature small form factor, unbeatable pricing, and unparalleled imaging quality, the SDI-IPC series cameras harness the power of full VISCA over IP control across any network, bidding farewell to outdated RS485 wiring. Available in four distinct variations, the SDI-IPC series stands poised to revolutionize both new and established 3G-SDI setups, offering complete mastery over every aspect. Experience the future of control and elevate your streaming game with the SDI IPC Series.
